NOTE 2.—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED. This does not apply to displaced persons seeking remission of the fee *vide* paragraph 7 below.

(ii) *A Certificate of Age.*—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate,

or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression 'Matriculation Certificate' in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the candidate must send in addition to the Matriculation Certificate an original certificate together with a copy thereof from the Headmaster of the High School from where he matriculated showing the date of his birth as recorded in the school admission register. An anglo Indian or an Indian Christian, may send his original baptismal or birth registration certificate together with a copy thereof in stead of the headmaster's certificate.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application the latter may be rejected. Further they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary school leaving Certificate need submit with the original a copy of the page containing entries relating to age only.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Displaced persons who have lost their original Matriculation Certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the university they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Cadets of the Sainik School, Dehra Dun and King George's Schools must submit a certificate of age from the Principal of the School and no other certificate as evidence of age will be required.

(iii) *A Certificate of Educational Qualification.*—Candidates must submit a certificate or diploma in original with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—Candidates who have appeared or intend to appear at an examination the passing of which would render them eligible to appear at this examination may apply for admission to this examination. The application of such candidates will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than the 1st December 1960, otherwise candidature will be cancelled.

(iv) *Photographs.*—The candidate must submit two passport size copies of his recent photographs one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front by the candidate.

The documents not submitted with the application should be sent soon after the submission of the application and in any case they must reach the Commission's office one month before the date of commencement of the examination. Otherwise candidature for the examination will be cancelled.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them. If there is any inaccuracy or any discrepancy between two or more such documents, an explanation, regarding the discrepancy may be submitted separately.

Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from the Commission's examinations and selections and from employment under Government.

THE CERTIFICATES MENTIONED IN PARAGRAPHS 4 (ii) and 4 (iii) ABOVE SHOULD INVARIABLY BE SENT IN ORIGINAL. THE COMMISSION DO NOT ACCEPT ONLY COPIES OF THESE CERTIFICATES, WHETHER ATTESTED OR OTHERWISE.

The originals of the certificates forwarded in accordance with paragraph 4 (ii) and (iii) will be returned when the result of the application is communicated.

CANDIDATES ARE ADVISED TO KEEP ATTESTED COPIES OF THEIR CERTIFICATES BEFORE SUBMITTING THEM TO THE COMMISSION. THE COMMISSION CANNOT RETURN THE CERTIFICATES EARLIER THAN THE DATE OF COMMUNICATION OF THE RESULT OF APPLICATION FOR WHATEVER PURPOSE THEY MAY BE REQUIRED, NOR CAN THEY SUPPLY ATTESTED COPIES.

If a candidate has already submitted the certificates required in paragraph 4 (ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If a certificate cannot be submitted with the application, a reasonable explanation for its absence must be given with the application.

9. The fact that an application form has been supplied on a certain date, will not be accepted as an excuse for the late submission of an application. The supply of an application form does not *ipso facto* make the receiver eligible for admission to the examination.

10. If a candidate does not receive an acknowledgement of his application within a fortnight from the last date of receipt of applications for the examination, he should at once contact the Commission for the acknowledgement.

11. Every candidate for admission to this examination will be informed at the earliest possible date of the result of his application. The Government will accept no liability regarding the result of operation or any expense incurred.

3. Standards for Height, Weight and Chest measurements.—

(a) **Height.**—(i) The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and quarter parts thereof. The minimum height for a candidate is 62" except in the case of Gorkhas, Nepalese, Assamese and Garhwal candidates for whom the minimum height is 60". Candidates who are otherwise fit in all respects but fall short of minimum height by half an inch or less, will be treated as special cases and relaxation allowed to the extent of half an inch.

(b) **Weight.**—(i) Weight will be taken with candidates fully stripped or with underpants only. In recording weight fractions of a pound will not be noted. A table showing correlation between height, age and average weight is given below for guidance.

Age Period	20—24	25—29	30—34
Height inches	lbs.	lbs.	lbs weight
62	109	113	116
63	112	116	119
64	116	119	122
65	118	123	126
66	122	125	128
67	125	129	132
68	129	133	137
69	133	137	141
70	137	141	146
71	141	146	151
72	146	152	157

(ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be overweight but from the general build of the body are fit in every respect. The over-weight in such cases may be due to heavy bones and muscular development and not to obesity. Similarly for those who are under-weight, the criteria should be the general build of the body and proportionate development rather than rigid adherence to the standards in the above table.

(c) **Chest.**—The chest should be well developed with a minimum range of expansion of 2 inches. The candidate's chest will be measured by making him stand erect with his feet together and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum and minimum expansions of the chest will be carefully noted. The minimum and maximum will then be recorded in inches thus 33/35, 34/36, etc.

In recording the measurements, fractions of less than half an inch should not be noted.

4. **Dental conditions.**—It should be ensured that sufficient number of sound natural teeth are present for efficient mastication.

(a) In order to assess the dental condition of an individual, teeth in apposition with corresponding teeth in the other jaw will be allotted points as follows:—

(i) Central incisor, lateral incisor, canine 1st and 2nd premolar and under developed third molar

1 point each.

(ii) 1st and 2nd molar and fully developed third molar 2 points each.

When all 32 teeth are present there will be a total count of 22 points.

(b) A candidate must have a minimum of 11 dental points to be acceptable.

(c) The following teeth in good functional apposition must be present in each jaw.

(i) Any 4 of 6 anteriors.

(ii) Any 6 of 10 posteriors.

(d) Candidate suffering from severe pyorrhoea will be rejected. When the state of Pyorrhoea is such that in the opinion of the Dental Officer, it can be cured without extraction of teeth, the candidate may be accepted. Candidates may be accepted if they have well fitting artificial dentures in lieu of sound teeth.

5. **Visual standards.**—The minimum acceptable standards of visual acuity are given below:—

Better Eye	Worse Eye
Distant Vision—V without—V without glasses not below 5/60 and after correction with glasses not below 6/6	without glasses not below 6/60 and after correction with glasses not below 6/24
Near Vision—Reads 0.8 or J4.	Reads 1 or J6.

There should be no evidence of choroidal degeneration or any other pathological condition of the fundus.

NOTE.—A relaxation of standards for distant vision without glasses may be made and an individual with unaided vision of less than 6/60 each eye accepted provided corrected vision is not less than 6/6 in one eye and 6/18 in the worse eye.

In all cases, where glasses are worn and where a candidate is examined by an Ophthalmologist, power of lenses must be noted.

Field of vision.—Normal in each eye as tested by confrontation test.

Colour vision.—Colour vision less than 'Defective' safe (Ishihara plates) will be a cause for rejection.

6. **Hearing Standard.**—Should with the back to the examiner be able to hear a forced whisper at a distance of 20 feet with each ear separately.

7. The above physical standards will also apply to female candidates except for the following:—

(a) The height and weight need not conform to the existing height and weight table for men. Minimum height and weight should be 5' and 100 lbs. respectively.

(b) The girth and the general development of the chest also need not conform to what is laid down in the existing physical standards for men. The candidate should, however, be capable of a chest expansion of 2".

APPENDIX III

This amount should be paid to the Commission by money order. Local candidates, however, may pay cash at the counter. The Commission will not accept payment made otherwise.

The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

(v) Two copies of Photograph.—A candidate must submit two passport size copies of his recent photograph, one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front by the candidate.

The originals of the certificates forwarded in accordance with paragraphs 4(ii), (iii), (iv) and (vi) will be returned when the result of the application is communicated.
